Mr S. H. Posey
816 Amity St.
Homestead Pa.

Dear Posey:

I am writing first of all to tell you I talked to Joe Miles on the phone last night, and May 10th in Richmond is OK. I think this will be much better due to the fact we are in Newark the day before. It will break the jump just right.

Send the publicity to him to The Colored Elks home on Second St. Be sure and put Second St. as there is another Elks home there.

I am expecting you to send placard to all the cities. The schedule as I understand it is as follows.

May 10 Richmond
11 Norfolk
12 Norfolk
13 Newport News.

Please tell Sonny or Cum or whoever is responsible to send the \$100.00 to me for the treasury. It was supposed to be here by the 26th of April.

Please send me the line up and numbers of the Grays right away. Do it now before you forget it. Also send some publicity for the local papers. If you have any mats, send them. Get them here right away so I can have them in next weeks paper. This will be the edition just before the game, but the mats will have to be here by the end of this week.

Very Truly Yours

PS. What about the prices in these towns? Should we rise them?
